Happy Birthday America!

JULY / 2015

Presidents Corner

Greetings to all and a Happy Fourth of July. I hope you will all have time to enjoy the weather with family and friends.

As with most months I like to use this column to recognize some of our members for their outstanding contributions to the club. There are some big thanks to give out this month. To Jim Pastor and Dale Sibits who came to the board with a different idea for our annual spring fling. They made the maiden voyage of the Big Bucks Raffle one of the most successful events in the history of the club. To Jim and Frank Homa Jr. who put out one heck of a meal of bbq ribs or chicken, and to all the guys who helped out in the kitchen. A BIG thanks to all of you!

Also thanks to all of our members and friends who attended and supported the dinner and raffle. We could not have done it without you.

The Annual Picnic will be held July 25th at St Sava's.. the theme this year coincides with the club marking our 25th anniversary at our Maple Hts location. Once again we welcome the H.A.G.A.'s (Hungarian American Golf Assn.) and their families in sharing the picnic with us. There will be lots of food, prizes and fun. Hope to see you all there. We always can use help in preparing for the event and most definitely will need your support and attendance.

It has come to our attention that we need to remind those in attendance at the Monthly Birthday Dinners that the event is not a BYOB party. Please remember our liquor license could be compromised.

Please have a Safe and Happy summer!

Your President, Mike Costanzo

feedback

The "Big Buzz" around the club lately has been about

The Big Bucks Raffle and BBQ. This new idea of the multiple prize drawing was slowly received in the onset because like all new ideas it takes time to get them off the ground. Those in attendance will testify that not only were there multiple winners (11 in all), the pace was fast and furious as opposed to the traditional reverse raffle. The DJ's Mo & Joe were excellent at helping us time out the drawings so every 15 minutes the place could go crazy! Mo & Joe kept the crowd dancing all night long with a great mix. Thanks to them for their help and great show.

The raffle of course was great, but the star of the show was the BBQ dinners. Super Thanks to grill masters Jim Pastor and Frank Homa Jr for busting butts to get 155 rib and chicken and dinners cooked and served. Thanks to the kitchen guys Gary King, Tom Rak and Helmut Richter.

Please let me also Thank the many people behind the scenes in getting this huge event to a successful completion.

People are already asking if we will use the same format for this Fall's clambake? Give us your thoughts.

Also even though it is only June/July people are asking if and when we are going to do another bowling party. Stay tuned.
